ADMINISTRATOR'S REPORT

Greetings to all Members:

As always thanks to the volunteers who are working so diligently at the Lodge. However, we need more volunteers. We are not just a restaurant or a bar we are a fraternity. All our members need to participate however you can to make the club successful.

The summer is traditionally a slow time of the year for the lodge in terms of revenue and participation. So, we need all the help we can get. We also had an unprecedented turnover with our bartenders which caused us to reduce the hours we are open. We have since then added staff; the current staff has stepped up. So effective immediately will be returning to our normal Saturday hours and starting on August 4th we will be open on Sunday afternoons. It was unfortunate that we had to take those necessary steps but we had no choice. Remember it's all about the children and the elderly, Mooseheart and Moosehaven. Please attend a LOOM meeting to get the real facts and not just rumors.

Just a reminder the Special Notified Meeting on July 11th at 7:00 pm., all members in good standing are encouraged to attend. We will have Tips-training class on July 20th at 10:00 am for anyone interested the cost is \$40.00.

If you have a question or comment, my door is always open. We need new ideas so don't be afraid to share. We are also trying to get our webpage updated and current. District 6, of which we are a member, is running a Cash Bash so check with your favorite bartender to get a ticket and the details. And we'll be running our own Cash Bash in a very short while as the last one was very successful.

Again, thanks to everyone who are making the lodge the "friendliest place in town".

Bert Peterson, Administrator

From the Governor:

I'd like to introduce myself as the Governor for the next year. I've been coming to the Moose since I was a child as my Dad is a longtime member and I've been a member of 10 years. I believe passionately about our mission of taking care of the children and the elderly. But in order to fulfill that mission we need everyone's help. The more helping hands the more successful we will be as a Lodge. Please step forward and volunteer, bring new ideas, and attend meetings. Even an hour a month of volunteering can make a difference. Thanks to everyone who is helping at the Lodge.

Jimmy Whitley Jr

Greetings from the Sportsman's:

As always the Sportsmen's have a lot going on this summer. Please refer to the calendar for specific events. However, our Picnic is on August 3rd. It's open to any LOOM or WOTM member and it's FREE. We'll have shotgun games starting at 10:00 and going till dusk. It's a fun time so bring a dish to pass and enjoy the party.

The Dexter High School Trap Team had a very successful spring league, finishing second in their conference. And members of this team are getting state and national recognition for their efforts. We're proud to be the home field for this team and enjoy supporting them.

We're having a Pump Gun Challenge on July 13th, bring out your pump gun and shoot some clays. Singles and doubles. It's really a fun time.

Our summer hours are in place: Wednesday 4:00 - dusk and Sunday 10:00 - dusk. Visit us on Face Book or our website to get even more info.

WOMEN OF THE MOOSE

Hello Co-workers,

Our meeting times are at 6:00 pm on the 1st and 3rd Tuesdays of each month. We encourage everyone to attend. Do you have a friend or relative that would like to be a part of the Moose? Bring them to a function, a meeting or an Orientation. Orientations will be posted in future newsletters and/or by invitation.

We will have our Potluck get together on July 16th at 6:00 pm, meeting to follow. Please come bring a friend and a dish to pass. All are welcome....we really do have a great time!!!

Congratulations goes out to Carol Colby on receiving the Green Cap Award! She will receive her award this August at the Sault Sainte Marie Convention.

We are going to continue our local community service with the "Lunch Box Drive" to help support elementary school children that can not afford to have hot lunches. We are also going to have a "Pack-A-Back Pack" for the children that can not afford one. Not only will they receive a back pack it will be filled with items they need for school. So if you can donate or purchase supplies anything and everything will help.

We would like to thank you again for renewing your dues. It really does mean a lot, not only to help our Chapter make the "Award of Achievement" with International. It also helps support the children at Mooseheart. Our Chapter is currently 220 strong! We helped put the State of Michigan in 4th place this year...way to go LADIES!!!

If anyone is interested in becoming an Officer or would like to be a Chairman of one of the Committees please let me know. If you have any questions please call me 734-320-2027.

Karla, Recorder
